Granville Homes Broker/Buyer Referral Registration

- To qualify for your referral bonus, you must register your client with Granville before their first meeting with a Granville sales representative by completing the Agent/Broker Registration Form OR you must accompany them on their first visit.
- If your client has previously visited our sales offices or self-tour homes equipped with NterNow locks prior to pre-registering and did not mention your name or company, you will not be eligible for Granville Realty's Agent/Broker Referral Program.
- Client registration is valid for one year from time of registration and is subject to whatever the current terms and conditions or referral amounts are offered at that time.
- Referral rewards are calculated based on the home's base price unless a fixed referral amount is specifically stated. Base price includes the home's starting price and lot price but excludes any lot premiums and included home upgrades.
- Contact a Granville Homes Representative at **(559) 445-9000** or email **sales@gvhomes.com** for details.
